Reference Letter for Mr. Soheil Nezakat, M.Sc.

I am writing to wholeheartedly recommend **Mr. Soheil Nezakat, M.Sc.**, who worked with us at the Institute for Software and Systems Engineering as a **wissenschaftliche Hilfskraft (student research assistant)** in the area of **Software Services for the Circular Economy**.

During his time with us, Mr. Nezakat proved to be an outstanding team member. He consistently demonstrated a high level of professionalism, curiosity, and dedication. His solid academic background, combined with several years of prior industry experience, enabled him to contribute effectively to our projects from the start. He was not only quick to understand complex software engineering tasks, but also brought fresh ideas that aligned with the standards and research objectives of our department.

Mr. Nezakat showed strong problem-solving abilities and an exceptional team spirit. He was proactive in supporting his colleagues, always willing to share his expertise and assist others in overcoming technical challenges. He adhered strictly to our internal procedures and demonstrated a clear understanding of academic and institutional responsibilities.

His attitude, reliability, and ability to integrate smoothly into our team made him an asset to our institute. I am confident that he will be a valuable addition to any organization he joins.

Please feel free to contact me if you require further information.

Sincerely,

B. Leiding
